NAVIGATOR

ALL-IN-ONE AUTOMATIC POOL CLEANER

HOSE WEIGHT

DIAPHRAGM

CONTROL VALVE

8.4M POOL HOSE

FINNED DISC

FEATURES AND BENEFITS

- Diaphragm style cleaner - requires less suction which reduces overall wear and tear on both the cleaner and pool pump
- Swinging float arm - allows for enhanced mobility
- Deflector wheel - steers the cleaner away from steps and obstacles preventing the cleaner from getting stuck
- UV stabilised hose and UV protected body
- Quiet
- Diaphragm is the only moving part and is easy to replace
- Suitable on all pool surfaces
- Blue
